

Council of Advanced Placement Schools in Ontario

- ⇒ **CAPSON**, the Council of AP Schools in Ontario, founded in 2002, is an association of AP schools in Ontario and Quebec that allows members to share concerns and strategies to implement and expand the AP program in their schools
- ⇒ **CAPSON's** Electronic Discussion Group allows members to identify other Ontario AP Schools and gives them the opportunity to share **expertise** and exchange **best practices** with each other. AP Coordinators and all AP teachers in CAPSON school may join but each must register him/herself on the **CAPSON directory** [www.netdirectories.com/~capson/login.cgi](http://www.netdirectories.com/~capson/login.cgi).
- ⇒ **CAPSON** members receive a monthly email outlining AP updates and events as well as changes in College Board practices or University policies.
- ⇒ **CAPSON** produces an annual contact list of University Admissions personnel.
- ⇒ **CAPSON** schools **advocate** as a group to the Universities and the Ministry of Education. It is thanks to CAPSON initiatives that ALL Ontario universities now grant AP credits and that students can now indicate their AP status on the **OUAC application** form. We will continue to press for expanded acceptance of AP courses.
- ⇒ **CAPSON's mentor program** connects new AP teachers with an experienced Ontario AP teacher who will act as their mentor. Contact Lynda Robinson to arrange this.
- ⇒ **CAPSON** organizes a **reception for AP National Scholars**, their family, friends and teachers.
- ⇒ **CAPSON** presents a **CAPSON Scholarship** to each AP National Scholar from a member school.

### HOW TO BECOME A CAPSON MEMBER:

Print and fill out the Registration Form. Make \$100 cheque payable to CAPSON. Note that your \$100 cheque pays membership for **two** academic years.

CAPSON, c/o Lynda Robinson  
St. Clement's School  
21 St. Clements Avenue  
Toronto, Ontario, M4R 1G8

**PLEASE REGISTER BEFORE NOVEMBER 16, 2009.**
